

Basic Needs of Living Things: Ants, Plants & You

Name: _____

Draw a picture of an ant, a plant, and a picture of yourself.

Circle the food, water, air, sun and shelter that you can find in your outdoor classroom for ants, plants and you.

| Living Things | Food | Water | Air | Sun | Shelter |
|-----------------|---|---|--|---|---|
| 1. Draw an Ant | bugs & leaves  | rain & puddles  | all around us  | sunlight  | leaves, rocks & soil  |
| 2. Draw a Plant | Food in soil  | rain  | all around us  | sunlight  | space to grow  |
| 3. Draw You | fruit & vegetables  | clean water  | all around us  | sunlight  | shelter from weather  |
