

# Outdoor Classroom Project Plan: Materials List & Budget for SMALL INFORMATIONAL KIOSK

A small **Information Kiosk** can be used in many ways including:

- ❖ **Learning Station Signs** – next to each of your learning stations as a way to communicate educational information and its purpose to those who use the outdoor classroom.
- ❖ **Classwork Display** – where students can display their art work, photographs, poems or research on specific topics related to the learning stations throughout the year.
  
- ❖ **Location Requirements:**
  - Place in close proximity to the entrance of the outdoor classroom or by a specific learning station.
  - The legs needed to be set in the ground at a minimum depth of 12 inches for stability.
  
- ❖ **Photo of a Completed Small Kiosk:**

- ❖ **Estimated Cost: \$200** (*without roof*)
  - ❖ **Materials List and Estimated Cost** (*without roof*) on page 2
